## FUSE Happenings

A big thank-you to everyone who supported our Kendra Scott Give-Back Event! Thanks to your participation, we raised over \$600 for Fuse. Your contributions help us continue providing experiences for our community. Whether you stopped by in person or shopped online, we're grateful for your support in making this event a success.

Thank you to the Community Foundation of Southwest Kansas (CFSWKS)! We applied for and received a \$7,500 grant award in November 2025. The funds will be utilized for medical staffing needs and for medical equipment rental costs associated with our summer retreat in July 2026.

On October 25th, the Firemen's Benefit Association of McPherson, KS held a boot block in several locations in McPherson. These firefighters raised \$3,600 for the FUSE Foundation. Thank you to the firefighters for organizing this event and to all the other off-duty personnel who helped this year and in prior years. We appreciate your support!

## We're Thankful for You!

This season, we want to extend our heartfelt gratitude to everyone who continues to support the Fuse Foundation. Your generosity and commitment make it possible for us to empower others and create meaningful impact in our community. As we look ahead, your continued support remains vital to sustaining our mission. Whether through a donation or by sharing our mission, every contribution helps ignite change. Thank you for being an essential part of the Fuse family!

If you know of an organization looking to donate to a non-profit, we'd be grateful to be considered! Reach out to any board member to learn how donations are used.

## 2025 Retreat Recap

Retreat 2025 brought together 17 campers at Camp Tawakoni from July 24–27 for a memorable “Fuse Fall Festival.” The weekend was packed with activities including a masquerade party, scavenger hunt, fall crafts, fire dancers, a festive costume ball, and much more! True to the Fuse spirit, the energy and excitement are best captured in photos. Enjoy!

above to view all photos  
from this years retreat.

## 2026 Retreat

The 2026 Retreat dates are set for July 23-26. We need your help to continue providing this experience for future participants. Your donation directly supports the retreat and helps us keep it accessible to all who need it most. Each Fuse Retreat costs \$1,500 per camper to host, covering lodging, meals, activities, and medical support. Thanks to generous donors, we've been able to offer the retreat at no cost to attendees - ensuring financial barriers never stand in the way of connection and growth. We appreciate your continued support!
